DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh cure. Send for circulars, free.

more work suited to the needs of the intermediate teachers.

Fifth: That we express our deep sorrow at the loss by death since our last annual meeting of our fellow laborers Ada May Forrest, Roscoe H. Gregg, and Charlie Baker; and that we extend to their friends and relatives our heartfelt sympathy.

Sixth: That we invite the publication of these resolutions by the Perrysburg Journal and all other newspapers that may be interested.

RECEPTION.

In response to an invitation of the Perrysburg teachers, about 250 teachers and a goodly number of their Perrysburg friends gathered at the school building on Wednesday evening. They found that there had been an evolutionary transformation, the desert had been made to blossom. Vines, plants and flowers in profusion were artistically scattered through the halls and tables decked with vases of cut flowers invitingly awaited guests. At eight o'clock the Perrysburg band began to enliven the company on the lawn by some splendid music; within were the sweet strains of mandolin and banjo and Perrysburg teachers were everywhere at the tables, at the punch bowl, in the receiving line and in fact omnipresent to see that their guests had a royal good time. If one may believe what his ears heard since that reception then the teachers are more than ever convinced that Perrysburg is the place to hold an institute. Good cheer and true fellowship was seen on every face and felt in the cordial hand shakes. We simply remark that it was the true Perrysburg spirit that was evident in the welcome given and the glad-heartedness of the Wood county teachers that made the reception the success that it was.

Card of Thanks.

The Perrysburg teachers wish to take this method of thanking most heartily all the individuals and the band for their satisfactory efforts to entertain the county teachers by their vocal and instrumental music. We recognize that you have contributed much to make the sessions of the institute and the reception a success.

TEACHERS,

per, D. A. HAYLOR.

INSTITUTE NOTES.

The launch rides were a drawing card, and the row boats were in good demand.

The piano solo by Roy Pitson was so finely executed and so thoroughly appreciated that he was compelled to respond to an encore.

Supt. Toan of the county examining board was called away on account of the sickness of a sister. Co. Examiners, Bistline and Hall were present the entire week.

The solo by Amy Tefft, a pupil of P. H. S. was sweetly and feelingly sung.

The following officers were elected: Pres.—W. E. Kershner.
1st. Vice P.—E. B. Walling.
2nd. Vice P.—Mrs. Kate Jameson.
Secy.—Miss Mame Shives.
Ex. Com. 3 years.—D. A. Haylor.

Perrysburg was selected as the place for holding the next annual institute.

A piano solo "Moonlight on the Hudson" was delectably executed by Miss Amelia Pfister on Friday afternoon.

Recorder Bowman an ex-teacher of Wood county still finds it difficult to stay away from the institute even when it is held in Perrysburg.

The roll of institute visitors was kept separate from that of the teachers. This has not been done in previous years.

Rev. Argo of Toledo, a schoolmate of instructors Roark and Simkins at Lebanon came up to attend institute a day and visit with his schoolmates.

Miss Helen Bowers, another of Perrysburg's artists upon the piano, played an attractive solo on Thursday afternoon.

Supts. Wenner of North Baltimore, Smith of Weston, came in Thursday for the "round up".

Supt. Haylor in behalf of the teachers and citizens of Perrysburg gave the teachers an invitation to come again next year.

Miss Helen Lawrence, the vocal instructor in Tabor College, Iowa,

sang a beautiful solo at the close of the lecture on Tuesday evening.

The vocal solo by Miss Grace Holtenbeck was a charming introduction to the lecture by Dr. Roark.

An exceptionally fine piano duet was rendered on Friday morning by Miss Carrie Griss and Mr. Elmer Hoffman.

Sec. Wales reported the following as township secretaries of O. T. R. C. for the year '03 and '04. Mrs. Frankfather, Portage; H. J. Hughes, Perrysburg; W. H. Bachman, Center; C. E. NOT OVER-WISE.

There is an old allegorical picture of a girl scared at a grass-hopper, but in act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by Bowers & Comstock.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.
J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.

Nothing has ever equalled it.
Nothing can ever surpass it.

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902.

Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."
